Fort Worth Music Teachers Association offers the following scholarships to high school seniors. Any high school senior who studies with a teacher who is a member of FWMTA may apply. The senior student may apply for more than one scholarship, but may receive only one award.

The seniors who apply for the awards must pass a TMTA Grade 12 theory test and write an essay explaining his/her interest in music. In case of a large number of applicants, students must be prepared to audition before the Scholarship Committee with two pieces by established composers from different eras of musical composition. Scholarship recipients are requested to perform on the FWMTA Honors Recital in mid-June.
