

MUSIC THEORY TESTING PLAN for FORT WORTH MUSIC TEACHERS ASSOCIATION MEMBERS

FALL 2020

“Because of the Covid-19 pandemic TMTA has granted local Association flexibility in presenting Theory Tests. Local Associations will order and receive paper tests and will have a two-week window of time in which to facilitate testing as seen fit by the local organization, including but not limited to in teacher studios, at student homes, or outdoors.”

“Talk about what it means to live with integrity and how it can be shown through theory testing.”
JENNIFER CLAY State Theory Chair.
